BOOSTER CLUB

September 2014

2013-2014 Booster Club Support

Texico Booster Club gave almost \$30,000 to help Texico students this past year. A large part of the funds raised was given to students to help pay meal costs when they were traveling for school sponsored activities. (Note: When student groups travel 75 miles or more from Texico the Texico Booster Club gives \$5 per student toward meal expenses. This helps parents from having to constantly send meal money with their students.)

2014-2015 Booster Club Officers

President: Randy Harrison
Vice-President - Jason Tuls
Secretary- Anne Nelson
Treasurer- Robin Myers

Who does the Texico Booster Club Support???

FFA

FCCLA

Football

What is the Texico Booster Club?

The Texico Booster Club is a group of parents, grandparents, and interested individuals/organizations that want to help support the students at the Texico Schools! The Booster Club supports students in the Elementary, Jr. High, and High School in a variety of different activities. All parents are encouraged to join and help support the kids in the Texico Schools! Watch the Texico Schools webpage for meeting announcements!

How we raise our money....

The Texico Booster Club receives money from membership/sponsorship dues. The biggest fund-raiser for the Texico Booster Club is the **Texico Tip-Off Tournament** held in January each year. (The Texico Tip-Off is a basketball tournament held at Texico for area elementary & Jr. High teams.) Last year the Texico Tip-Off raised over **\$7000**. Other fund raisers include T-shirt /hat sales; Arena, football field & baseball field sponsor signs, etc.

The Texico Volleyball teams using the ACu spoke hitting machine that was purchased by the Texico Booster Club.
