

Rent a FCCLA member

&

Help Pay Our Way!

4 FCCLA members that competed at State in March and qualified for National contest need to raise money to help pay for chapter expenses to be held in Anaheim, CA June 30- July 5.

We are willing to offer our services for chores or jobs you may have for your Spring/Summer Cleaning April 8-June 21.

We do the work, you provide the cleaning supplies, tools to do the task, and detailed specifications on how the outcome should be. Some services may include but not limited to: washing windows, cleaning Cars, lawn care, garden care, child care, house cleaning, cleaning classroom, garage cleaning, running errands, grocery shopping, ironing, painting, etc....

You may request the number of students (1 to 4 you would like to work on your job at one time.

Please let Mrs. Thomas know @ 575-693-6420 if you would like something done. She will than coordinate a student/s to come help you on date requested if possible. I do ask that you call me after the services have been finished and let me know how much your donation was. This way I can keep track of what each student has earned for the trip.

Thank you for Your Support!
